

LIMOUSIN - BONNE CHANCE ON THE D ROADS OF FRANCE

Friday 17 June - Tuesday 22 June

ORGANISER: BOB JOHNSON • T: 01889 583363 • E: OILTRAIL@BTINTERNET.COM

Here's your chance for a long weekend exploration of the wonderful uncongested rural D roads in some of the most picturesque areas of France. The tour starts in the Champagne region, heading down to the Rhone Alpes and on to northern Auvergne.

Our first night dinner, b&b is at a Logis hotel near Epernay which will give an excellent opportunity start the following day by planning a D road journey to the second stop in the Rhone Alpes. Again the stay is based on dinner, B&B at a charming Logis hotel which

Ken Gore found on the return from Corsica last September. Set on a high plain 40 miles west of Geneva our two night stay here will give a day to rediscover the scenic beauty of the surrounding high country.

The last two nights will be spent in the small town of Moulins in the Bourbon Auvergne. Again lots of opportunities to explore D roads and fascinating countryside. The hotel is in the town centre giving us the opportunity to sample local restaurants on the two evenings, hence unusually for a PEMC trip, the accommodation here will be on a B&B basis. On a previous visit to the town two years ago on the Magny Cours trip we did discover the delightful restaurant Delice de la tour, the food was excellent as were the waiting on staff (or so I was told – I never noticed myself) so we may have to give them a try on at least one night
