Following a fine suggestion from Bill Goodwin, and with a little help from Ed Gibson, Bernard Jay and Richard Frost, this event has been organised in memory of our late founder Mike Parry, to commemorate and re-live over 25 years history of this great club. Invitations have already been dispatched to the 12 remaining 'disciples', and their long suffering partners, who may share 25 years of memorable anecdotes and photographs with us all. In turn they may enjoy a small token of our appreciation (other than Bernard's requested Bus Pass).

This restaurant has been chosen because of its location near to the epicentre of PEMC club membership and has been reserved for our exclusive use (subject to minimum numbers!) over the lunch period.

If 'global warming' weather appears favourable, then a short run may be possible before the lunch.

BOOKING: OPEN TO ALL SYMPATHETIC MEMBERS, THEIR GUESTS AND ASSOCIATED SYCOPHANTS.

PRICE: £20/PERSON FOR 3 COURSE LUNCH, COFFEE AND PRICELESS ENTERTAINMENT.

CLOSING DATE: 22 FEBRUARY 2010.
