

22 AUGUST SUNDAY MEET AT THE SPOTTED DOG, PENHURST, KENT, TN11 8EP.

Organiser – Mark Pratley

This is a bookable event in the heart of Kent.

This is an excellent venue with some good food.

There will be a run starting at the Spotted Dog

at 10.00 around 37 miles of some excellent

you can all keep up with one of these lumbering

biking roads that I use regularly, I just hope Goldwings.

The Spotted Dog, Penshurst, is a lovely old rambling 16th century white clapboard building (which started life as several cottages), panelling, low beams and three open fires. It is warm and welcoming in winter but equally enticing in summer. The pub is positioned in beautiful countryside with tiered beer gardens at the front and back, the latter affording an outstanding view.
